Your hand is like a torch each time you touch me  
The look in your eyes pulls me apart  
But don't open the door to heaven if I can't come in  
Don't touch me if you don't love me sweetheart

Your kiss is like a drink when I'm thirsty  
Oh and I'm thirsty for you with all my heart  
But don't love me then act as though we've never  
kissed  
No don't touch me if you don't love me sweetheart

Don't give me something that you might take away  
To have you then lose you wouldn't be smart on my  
part  
Don't open that door to heaven if I can't come in  
Oh don't touch me if you don't love me sweetheart  
Don't touch me if you don't love me sweetheart  
(If you don't love me) don't touch me if you don't love  
me sweetheart
