Just one more morning I had to wake up with the blues.
Pulled myself out of bed yeah, put on my walking shoes.

Climbed up on a hilltop baby, see what I could see.
The whole world was falling down baby, right down in front of me.

Chorus:

'Cause I'm hung up on dreams I'm never gonna see
yeah.

Lord help me babe.

Dreams get the best of me, yeah.

Pull myself together, put on a new face yeah,
Climb down off the hilltop baby,
Gonna get back in the race.

'Cause I got dreams, I got my dreams
To Remember,
I love and hate
(repeat)
I'm hung up, on dreams, I'm never gonna see yeah
Help me, Lord help me babe,
Dreams got the best 'o me yeah

(guitar solos)

Alright yeah . . . yeah . .

Pull myself together
Put on a new face yeah,
Climb down from the hilltop baby,
I'll get back in the race.

'Cause I got dreams, I got my dreams,
To remember
They'll often break
I got dreams, I got my dreams,
To Remember
I love and hate

Hung up, on Dreams
I'm never gonna see yeah,

Lord help me babe,
Dreams get the best 'o me yeah
