Well the pretty women, easy livin' were always on my
mind,
Back home dreamin' , I was schemin' 'bout the things I
knew I'd find,
I've been unlucky in love, when I'm low it's just said so
hard to take it,
But when I'm right, anything goes, you know I just can't
fake it

Chorus:

Cause I can't wait forever,
I can't wait for you,
Baby it's now or never,
Gonna find somebody new,
Gonna find somebody new
Well the past is gone, time goes on, while we are apart,
Took a toss with the dice, my luck was down, I had to
pawn my heart

Chorus:

Cause I can't wait forever,
I can't wait for you,
Baby it's now or never,
Gonna find somebody new,
Gonna find somebody new
Well it was the women, the easy livin', that finally made
me blue,
But baby, don't't you worry, don't stop the show,
Cause I'm not comin' home to you

Chorus:

Cause I can't wait forever,
I can't wait for you,
Baby it's now or never,
Gonna find somebody new,
Cause I can't wait forever,
I can't wait for you,
Baby it's now or never,
Gonna find somebody new,
I'm gonna find somebody new
