Goodbye, to you girl, we really had some good times,  
Then you loosened your hold on me, took away what I  
thought was mine,  
Now you've got your wings, girl, and you can fly like a  
dove,  
When I'm lying awake in bed at night, honey, it's you  
I'm thinkin' of

No conversation, .... no alibis,  
No explanation, just a glimpse of your far away eyes,  
Now you've got your freedom, have fun while you can,  
Cause one day you're gonna to find yourself in the  
arms of another man

Chorus:  
Goodbye to love, goodbye to pain,  
Goodbye promises that get broken time and time again  
I know there's nothing I can say to make you change  
your mind,  
I guess that's the price I have to pay,  
Seems like such a waste to leave it all behind,  
As I stand here in the distance and watch your cold  
heart slip today

You just go on now and follow the sky,  
Cause now that you're gone from me there won't be no  
reason to lie

Chorus:  
Goodbye to love, goodbye to pain,  
Goodbye promises that get broken time and time again  
Chorus:  
Goodbye to love, goodbye to pain,  
Goodbye to those promises that get broken time and  
time and time again  
Chorus:  
Goodbye to love, goodbye to pain,  
Goodbye to those promises that get broken time and  
time and time and time again  
Goodbye, goodbye, goodbye,  
Goodbye, goodbye, goodbye love
