(Heartbreak USA)

The harbor's empty my love has gone  
With aching heart I face the cold and lonely dawn  
Until the trade winds bring him home to stay  
I'll live in heartbreak USA

Don't let those Geisha girls get your heart in a whirl  
And if you meet some sweet Fraulein remember you're  
mine  
Don't forget your sweetheart while you're away  
Back home in heartbreak USA

Sometimes I'm lonely and time stands still  
And I wonder if you feel the way I always will  
So darling write me letters every day  
In care of heartbreak USA  
Don't forget your sweetheart while you're away  
Back home in heartbreak USA
