Johnny saw her ridin' on a streetcar named "desire"  
His fate was sealed  
She could see him comin' like a hundred other liars  
It was no big deal  
Rosa had a lover on the shady side of town  
Tito, he was king of the streets  
She was his possession like a jewel on his crown  
Johnny better run, better run....

Better hide your heart  
Better hold on tight  
Say your prayers  
Cause there's trouble tonight  
When pride and love battle with desire  
Better hide your heart  
Cause you're playin' with fire  
Ah,ah,ah,ah/hey,hey,hey/do,do,do,do...

The ride was over but the story doesn't end  
He took her heart  
She looked him in the eye  
And said they couldn't meet again  
You could see the trouble start  
The word went out that rosa's messin' with someone  
It was on the street  
Tito looked for johnny with a vengeance and a gun  
Johnny better run, better run...

Johnny's holdin' rosa on a rooftop in the night  
As time stood still  
They couldn't hear him comin'  
Till he had them both in sight  
You could feel the chill  
A shot rang out like thunder  
And the blood was on her hands  
With noting won  
When someone lies there dyin'  
Lovers finally understand....
