(How's the world treating you)
I've had nothing but sorrow since you said we were
through
There's no hope for tomorrow how's the world treating
you
Every sweet thing that mattered has been broken in two
All my dreams have been shattered how's the world
treating you

Got no plans for next Sunday got no plans for today
Everyday is blue Monday every day you're away
Though our pathways have parted to your mem'ry I'm
true
Guess I'll stay broken hearted how's the world treating
you

Do you wonder about me like I'm hoping you do
Are you lonesome without me have you found someone
new
Are you burning and yearning do you ever get blue
Do you think of reurning how's the world treating you
How's the world treating you
