Yeah I'm gonna change everything that holds a mem'ry
of you oh yeah

I'm gonna start with the hall take the pictures off the
wall and burn 'em
Move the chairs around take the window curtains down
and burn 'em
Everything I see reminds me you were here
Yeah I'm gonna change everything that holds a mem'ry
of you oh yeah

The candle of your set you gave me on the night of my
birthday
The records that you bought the hi-fi we loved to play
The decoratin' man will come and rearrange them
Yeah I'm gonna change everything that holds a mem'ry
of you oh yeah
[strings]
Everything I see reminds me you were here
Yeah I'm gonna change everything that holds a mem'ry
of you (oh yeah)

Take the carpet off the floor throw it out the door it's
filled with tears
Everything I find that bring you to my mind must
disappear
Every night I dream I'll dream of someone new
Yeah I'm gonna change everything that holds a mem'ry
of you
Yeah I'm gonna change everything that holds a mem'ry
of you oh yeah
