Everybody's going out having fun
I'm just a fool to stay at home having none
I can't get over how he set set me free oh lonesome me
Well a bad mistake I'm making by just hanging round
I know that I should have some fun paint the town
Well a lovesick fool is blind and just can't see oh
lonesome me

I'll bet he's not like me he's out and fancy free
Just flirtin' with the girls with all of his charms
But I still love him so and baby don't you know
I'd welcome him right back here in my arms
There must be some way I can lose these lonesome
blues
Forget about the past and find somebody new
I've thought of everything from A to Z oh lonesome me
I'll bet he's not like me...
Oh lonesome me oh lonesome me
