You've come to tell me something you say I oughta
know
That he don't love me anymore and I'll have to let him
go
You say you're gonna take him but I don't think you can
Cause you ain't woman enough to take my man

Women like you they're a dime a dozen you can buy
'em anywhere
For you to get to him I'd have to move over and I'm
gonna stand right here
It'll be over my dead body so move out while you can
Cause you ain't woman enough to take my man
[guitar]
Sometimes a man start lookin' at things that he don't
need
But he took a second look at you oh but he's in love with
me
I don't know where they leave you oh but I know where
I'll stand
But you ain't woman enough to take my man
Well now women like you...
You ain't woman enough to take my man
