You give your hand to me and then you say hello  
And I can hardly speak my heart is beating so  
And anyone could tell you think you know me well but  
you don't know me  
No you don't know the one who dreams of you at night  
And longs to kiss your lips and longs to hold you tight  
To you I'm just a friend that's all I've ever been but you  
don't know me

For I never knew the art of making love though my  
heart aches with love for you  
Afraid and shy I let my chance go by the chance you  
might have loved me too  
You give your hand to me then you say goodbye  
I watch you walk away beside and I wanna cry  
You'll never never know the one who loves you so no  
you don't know me  
No you don't know me
