if you will take my hand
lets go somewhere
I wanna find a place for us
so we can share

and you can rain down on me
(rain on, rain on rain on me)
and you can rain down on me
(rain on, rain on, rain on me)

If you wanna take it there we can go anytime
don't be playing difficult baby I can read your mind
(you got my head up in the clouds)

You got me feelin' like the Taj Mahal
Like i'm 10 feet tall
and not a soul can touch me
if you wanna take it there we can go anytime
(you got my head up in the clouds)

I dont care where we go
the clouds keep us afloat
and if it rains on our parade
we'll grab a coat

and you can rain down on me
(rain on, rain on rain on me)
and you can rain down on me

(rain on, rain on, rain on me)

If you wanna take it there we can go anytime
don't be playing difficult baby I can read your mind
(you got my head up in the clouds)

You got me feelin' like the Taj Mahal
Like i'm 10 feet tall
and not a soul can touch me
if you wanna take it there we can go anytime
(you got my head up in the clouds)

(where we go)
(you got my head up in the clouds)

You got me feelin' like the Taj Mahal

if you wanna take it there we can go anytime
(you got my head up in the clouds)
