(Chorus)

Hey, I don't really have a lot to say,
But I just wanted to see your face,
'cause I think I'm in love.

(Verse 1)

Well I met her back in freshman year,
Got a little condescending when the end was drawing
near,
And everybody knows,
You don't fall for those girls.
So I went right ahead and called her bluff,
'cause she knows I can't resist her 'cause I'm not
quite strong enough,
And everybody knows,
That I fell for that.
And I said

(Chorus)

Hey, I don't really have a lot to say,
But I just wanted to see your face,
'cause I think I'm in love.

(Verse 2)

Well sophomore year was drawing near,
So I knew I had to make a move or she might
disappear,
And everybody knows,
I couldn't let that go down.
So I took her hand I caught her stare,
All the perspicacious people looking on from
everywhere,
And everybody knew,
From up here to downtown.

(Chorus)

Hey, I don't really have a lot to say,
But I just wanted to see your face,
'cause I think I'm in love.

And she said hey,
I don't really have a lot to say
But since the first time I saw your face,

I knew I was in love.
