(Verse 1)

IÂ'd donÂ't know what IÂ'd do without you,
I miss you more than I should and itÂ's only been a day
or two
So kiss me girl,
Take it slow,
I might be away for a while,
A frown wonÂ't help I want you to smile.

You know I hate it when youÂ're distressed,
I know I probably canÂ't help but I do and I try my
best.
So tell me babe,
Take your time,
I have nowhere else to be,
The only place I want you is with me.

(Chorus)

So maybe baby we could take a day to go,
And maybe baby we could spend it all alone,
Well maybe baby we could take the long way home
tonight.

(Verse 2)

I canÂ't go a day without thinking of you,
Walking barefoot through my house Â'cause you
happened
to break your shoe,
So letÂ's lay down, cuddle up,
WeÂ've got another hour or so,
Before you leave and have to go home.

So kiss me girl,
Take it slow,
I might be away for a while,
A frown wonÂ't help I want you to smile.

So kiss me girl,
Take it slow,
I might be away for a while,
A frown wonÂ't help I want you to smile.

(Chorus)

So maybe baby we could take a day to go,
And maybe baby we could spend it all alone,
Well maybe baby we could take the long way home
tonight.
