We're feeling alright, yeah  
We're feeling good, we're feelin alright, yeah yeah  
yeah

Oh it's about that time for us to look around and meet  
somebody new  
Well let's all welcome in familiar faces, perhaps  
somebody who  
Has a conflict in their life, oh alright  
Tell them you're sorry but there's ways to change the  
wrong to right

See we can sit in a distant haze and watch rain clouds  
Pour thoughts of greatness to help our troubles sail  
real far away  
Oh yeah

Well it's a struggle, every day we're stressin  
But what's a life without dedication  
I'm, I'm gonna pick up that soul's intention to soak in  
music relaxation

We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah yeah  
yeah

In a moment I'll be on my way to better days, while life  
is changing  
And even though I've had my share of pain  
I've been sympathizing and realizing  
I've got a feeling we could be a better friend  
Simply complementing every now and then  
Cause in the morning I wake up and miss the night  
before  
Cause I love the music more and more

Yeah we can sit in a distant haze and watch rain clouds  
Pour thoughts of greatness to help our troubles sail  
real far away

Oh yeah

Well it's a struggle, every day we're stressing  
What's a life without dedication  
I'm, I'm trying to pick up that soul's intention to soak in  
music relaxation

We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah  
We're Feeling good, we're feeling alright, yeah yeah  
yeah
