[Chorus]

A heart like lion, a burning like fire  
Waiting just to be set free  
A heart like a lion, a burning like fire  
How can I bear captivity

Some they tell me I'm a fool, a fool who walks this road  
alone  
So afraid of making changes, remember that nothing  
is carved in stone  
Oh tell me why we are so afraid of the secrets locked  
with in our souls  
Cause Everything that we're made of is dying just to be  
exposed  
Oh yes

[Bridge]

So don't turn your back on yourself, there's nowhere to  
run  
You know your life's ain't a practice run  
It's time to wake up you're mind  
Oh yeah yeah For maybe tomorrow will never come or  
maybe it will but by then it's too late oh oh  
There's nothing left to do but cry oh yeah.  
So now you cry but you don't know why, and now you  
cry but you don't know why  
Oh yeah yeah yeah

[Chorus]

So what you want to be now well it's time to realize  
That everything you need now has been right in front of  
your eyes yeah  
Don't point your fingers and blame, remember it's  
never too late to change  
Don't point your fingers and blame, remember it will be  
okay

[Bridge]

You better get up

You better get out  
You better get up and turn  
Your life around you only live  
Once you better act now  
Cause you never know when  
It's gonna come back around yeah

[Chorus]

A heart like a lion  
A heart like a lion  
A heart like a lioonn...
