you know the dj's playing it loud  
yeah  
we got the whole place spinning around  
yeah

taking off, looking fly  
ya your gonna wanna be where were going tonight  
its step and slide, i'm alive  
I guarantee its gonna be the best night of your life

so fill your drinks up now  
everybody let your freak come out  
and get ready cause its going down  
ohh ohhh  
tonight

were the life of the party  
oh oh  
hit the floor and the spot light follows us  
were the life of the party  
oh oh  
even all of the haters are showing love  
and now the dj's playing it loud  
we got the whole place spinning around  
were the life of the party, party  
were the life of the party, party  
so plan it right now  
so plan it right now  
yeah

night is young so are we  
countin shots and you know that we aint gonna stop  
superstars going hard  
and were dancing on the bars so their looking at us

so fill your drinks up now

and get ready cause its going down
