What a beautiful face I have found in this place
that is circling all round the sun what a beautiful
dream that could flash on the screen in a blink of
an eye and be gone from me soft and sweet let
me hold it close and keep it here with me and
one day we will die and our ashes will fly from the
aeroplane over the sea but for now we are
young let us lay in the sun and count every
beautiful thing we can see love to be in the arms
of all im keeping here with me
What a curious life we have found here tonight
there is music that sounds from the street there
are lights in the clouds
Anna's ghost all around Hear her voice as it's
rolling and ringing through me soft and sweet
how the notes all bend and reach above the
trees now how I remember you how I would
push my fingers through your mouth to make
those muscles move that made your voice so
smooth and sweet and now we keep where we
don't know all secrets sleep in winter clothes
with one you loved so long ago now he don't
even know his name what a beautiful face I
have found in this place that is circling all round
the sun and when we meet on a cloud I'll be
laughing out loud I'll be laughing with everyone I
see can't believe how strange it is to be anything
at all
