Let the world collapse and die
Its sinking deeper in your eyes
And I will sing my sweet surprise
for no one

let the world collapse and swallow
all the hugs will hold tomorrow
And I will shield and I will follow
no one

And I won't screw up
And I feel alright
Sinking deeper all the time
Inside a hole deep in my mind
But I love you, I love you
more than life

Let the world collapse and fall
negate me no nothing at all
and I will shield and I will fall
for no one

Let it sink and let it shutter
And all the words that I will mutter
In hopes your love will soon discover
no one

And I'm all screwed up
but I feel alright
Sinking deeper all the time
Inside a hole deep inside my mind
but I love you, I love you
Yo I love you, Yes I love you
Oh I love you, more than life
more than life, more than life
More than life, More than life
