I love you Jesus Christ
Jesus Christ I love you, yes I do
I love you Jesus Christ
Jesus Christ I love you, yes I do
And on the lazy days the dogs dissolve and drain away
The world it goes and always waits
The day we are awaiting

Up and over we go
Through the waving undertow
I will float until I learn how to swim
Inside my mother the garbage bin
Until I find myself again again ohh oh oh oh oh

Up and over we go
Mouths open wide and spilling snow
I will spit until I learn how to speak
Up through the doorway as the sideboards creak
With them ever proclaiming me me ohh

Up and over we go
The ?????????????? and I don't know
I will shout until they know what I mean
I mean the marriage of a dead dog sing
and a synthetic flying machine ohh
ohh ohh ohh okay
