daddy please hear this song that i sing in your
heart theres a spark that just screams for a lover
to bring a child to your chest that could lay as
you sleep and love all you have left like your boy
used to be long ago wrapped in sheets warm
and wet blister please with those wings in your
spine love to be with a brother of mine how he'd
love to find your tongue in his teeth in a struggle
to find secret songs that you keep wrapped in
boxes so tight sounding only at night as you
sleep
and in my dreams you're alive and your crying
as your mouth moves in mine soft and sweet
rings of flowers round your eyes and I love you
for the rest of your life in your ?reading?
brother see we are one in the same and you left
with your head filled with flames and you
watched as your brains fell out thru your teeth
push the pieces in place make your smile sweet
to see don't you take this away im still wanting
my face on your cheek and when we break we'll
wait for our miracle God is a place where some
holy spectacle lies
when we break we'll wait for our miracle
God is a place you will wait for the rest of your
life two headed boy she is all you could need
she will feed you tomatoes and radio wires and
retire to sheets safe and clean but don't hate her
when she gets up to leave
