If I wrote a note to God  
I would speak what's in my soul  
I'd ask for all the hate to be swept away  
For love to overflow

If I wrote a note to God  
I'd pour my heart out on each page  
I'd ask for war to end  
And for peace to mend this world

I'd say  
I'd say  
I'd say

Give us the strength to make it through  
Help us find love, cause love is overdue  
And it seems like so much is going wrong  
On this road we're on

If I wrote a note to God  
I'd say please help us find a way  
End all the bitterness, put some tenderness  
In our hearts

I'd say  
I'd say  
I'd say

Give us the strength to make it through  
Help us find love, cause love is overdue  
And it looks like we haven't got a clue  
Need some help from you

Grant us the faith to carry on  
Give us hope when it seems all hope is gone  
Cause it seems like so much is going wrong  
On this road we're on

No  
No

We can't do it on our own

So

So

(Give us the strength to make it through  
Help us find love, cause love is overdue)  
And it looks like we haven't got a clue  
Need some help

Grant us the faith to carry on  
Hope when it seems all hope is gone  
Cause it seems like so much is going wrong  
On this road we're on

No

No

(No)We can't do it on our own

(So)

So

If I wrote a note to God
