Many nights we pray  
With no proof anyone could hear  
And our hearts a hopeful song  
We barely understand

Now we are not afraid  
Although we know there's much to fear  
We were moving mountains long  
Before we know we could

Oh yes, there can be miracles  
When you believe  
Though hope is frail  
It's hard to kill

Who knows what miracle  
You can achieve  
When you believe  
Somehow you will  
You will when you believe

In this time of fear  
When prayer so often proves in vain  
Hope seems like the summer birds  
Just swiftly flown away

And now I am standing here  
My heart's so full, I can't explain  
Seeking faith and speaking words  
I never thought I'd say

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill

Who knows what miracles  
You can achieve  
When you believe  
Somehow you will  
You will when you believe

They don't always happen when you ask  
And it's easy to give in to your fear, ohh  
But when you're blinded by your pain  
Can't see your way safe through the rain  
Thought of a still resilient voice  
Says love is very near

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill

Who knows what miracles  
You can achieve  
When you believe  
Somehow you will, how you will  
You will when you believe

You will when you believe  
Just believe  
You will when you believe  
Just believe

You will when you believe
