I gave you fools gold days on the weekend, babe,  
The rest o' the week I'm lost.  
I watched my heart collapse in another's grasp,  
I haven't counted the cost.

It's just a fools coin toss,  
Fools coin toss.  
It's just a fools coin toss,  
Fools coin toss.

I give you tumble-weed nights,  
Babe, I know it ain't right to pass through your sheets  
as I please,  
It's just a life of excuse when you don't have to choose  
the direction or  
Speed of the breeze.

Even fools have needs,  
Fools have needs.  
Even fools have needs,  
Fools have needs.

Take the best of what you have found in me,  
\*Babe, leave the rest with my love likes won't always  
be\*  
I gave you half of me then but if you let me back in  
I'll give you everything,  
But I should warn you in advance there's a pretty good  
chance,  
You'll take all of me, it'll sting.

It's just a fools gold ring,  
Fools gold ring.  
It's just a fools gold ring,  
Fools gold ring.
