(Five, six...)

Your coat, your keys,  
Your blankets and sheets,  
Your favorite blue jeans  
I'm holdin' on to anything

Your chin, your cheek,  
The shape of your teeth,  
Your voice when you sing  
I'm holdin' on to anything

The longer I hold on, let you drag me around  
The harder I fall, when I finally fall down  
I'm holdin' on...  
I know it's wrong  
I'm holdin' on  
I know it's wrong

Your past, your pain  
Your shaving cream  
The careful way that you cut me  
I'm holdin' on to anything

The longer I hold on, let you drag me around  
The harder I fall, when I finally fall down  
I'm holdin' on...  
And I know it's wrong  
But I put my fate  
In the hope that you might  
Be drawn to a fool not as strong

I'm holdin' on to anything  
The longer I hold on, let you drag me around  
The harder I fall, when I finally fall down  
I'm holdin' on...  
And I know it's wrong  
I'm holdin' on  
I know it's wrong  
I'm holdin' on  
I know it's wrong

I'm holdin' on  
I know it's wrong
