"My Grey Life"

Visit "[My Grey Life](#)" on MotoLyrics.com

So what if I told you the truth?
'bout this grey life I'm livin'
I've given myself to you
Completely without consideration
So what if you did with him then?
What would I do?

I believe in second chances
For everyone but you

I don't think you are the kind
To go steppin' out on me
But I've got a grey life in mind
Where I can see what other men see
So what if you did tell me lies?
But then told me the truth

I believe in second chances
For everyone but you

So what if you did break my heart?
I wanted to work things through
I believe in second chances
For everyone but you
