I want to be se-duced,  
I want a wom-an to take me out to din-ner for two  
I want to see her eyes get-tin' mood-y,  
Flirt-in' with the thought of what flirt-in' can lead to  
I want to act real cool, have her think a-bout get-tin' lit-  
tle me in bed  
Have a chat a-bout Mag-na Chart-a, or Puer-to Val-ler-  
ta, or some-thin' Gan-dhi said  
I might de-mur po-lite-ly, fal-ter slight-ly, if she starts to  
fon-dle my knee,  
But I'm rel-a-tive-ly cer-tain I'd com-pro-mise if I know  
me  
I want to be se-duced, I want a wom-an to talk to me  
sug-gest-ive-ly  
I want to hear her say she'll be with me to-morr-ow  
morn-ing,  
Drink-ing hot jas-mine tea  
I want her to make me laugh, make a point of touch-ing  
me when she talks  
Leav-ing all the jeal-ous guys in the joint to mum-ble in  
their beer and gawk  
I know it on-ly hap-pens, when I'm nap-ping, nod-ding  
in my rev - er-ie  
That I ev-er find a wom-an who would-n't mind se-du-  
cing me  
I know it on-ly hap-pens, when I'm nap-ping, nod-ding  
in my rev - er-ie  
That I ev-er find a wom-an who would-n't mind se-du-  
cing  
Start-ing from the mom-ent that we'd been in-tro-duced  
That I ev-er find a wom-an who would-n't mind se-du-  
cing me
