"To Destruction"

Visit "[To Destruction](#)" on MotoLyrics.com

On the way, on the way down to destruction
There are places where I find my rest
Make no mistake, make no mistake of my intentions
Your arms are the place I like the best

I cannot lie to your face
Your lips your skin, your face, your hips
Or your waist
I do not dare to journey there
When I do, I find no means of instinct

On the way, on the way down to destruction
There are places where I find my rest
Make no mistake, make no mistake of my intentions
Your arms are the place I like the best

I have tried to run away
But I am so unhappy when I'm alone
So here we lie, another night
I am a fool when I walk back to your door

On the way, on the way down to destruction
There are places where I find my rest
Make no mistake, make no mistake of my intentions
Your arms are the place I like the best
