I found my place in the wishing well  
I found my place not feeling well  
Now I'm at such great heights here  
Now look at me, my dear

Oh, I'm fucked up  
Oh, I'm fucked up  
Oh, I'm fucked up  
Oh, I'm fucked up

I found my place in the wishing well  
I found my place not feeling well  
Now I'm at such great heights here  
Now look at me, my dear

Oh, I'm fucked up  
Oh, I'm fucked up  
Oh, I'm fucked up  
Oh, I'm fucked up

Here, just right here  
And it's all ah

Here, just right here  
And it's all, ah

Oh  
Oh

And it's background  
Describing my house  
'Cause God knows,  
God knows what I do best

And it's background  
It's been upset  
'Cause I know  
I know what makes a man

So, I  
Shoot you
