I have had my eyes on you  
Oh, since the day I learned to laugh at myself  
Caught you laughing too  
Then you went your way, oh, and I went mine  
It's strange that in another place  
That joke should hit me in my face

But you, oh, you make it so hard, baby  
To say no, no, no, oh  
You, yes, you, baby, make it so hard  
To say no, no, no, no

All that glitters is not gold  
Just like good jokes get old  
That spark that makes you think of me  
Don't make things like they used to be

You might say that I have changed  
It's just that things are rearranged  
And as I once looked out for you  
Now it's your turn to see me through

Cause you, oh baby, you make it so hard, girl  
To say no, no, no, no  
You, oh baby, you make it so hard  
To say no, no, no, no

You know I tried to get you out of my mind  
But now I'm to the point I find  
I just can't leave and not have kissed you  
You know I could never resist you

Cause you, oh, you make it so hard  
To say no, no, no, no  
You, oh, you're making it so hard, baby  
To say no, oh, to say no, no, no, no

You are making it so hard  
(Girl, you know what you're trying to do)  
To say no, no, no, no....
