

# Luminate "Atmosphere"

Visit "[Atmosphere](#)" on MotoLyrics.com

Something's changing in the atmosphere  
I can feel it, You are near  
I feel weightless in this place  
I am lost in Your embrace  
Something's changing in the atmosphere  
You're near, You're near

You've opened up my eyes to Your glory, Lord  
I've tasted and I've seen and I want more  
I stand here amazed, I'm falling on Your grace  
I've tasted and I've seen and I want more

Something's changing in this heart of mine  
Chains are breaking as You redesign  
I am Yours, I'm in Your hands  
I give my life and I take Your plans  
Something's changing in the atmosphere  
You're near, You're near

You've opened up my eyes to Your glory, Lord  
I've tasted and I've seen and I want more  
I stand here amazed, I'm falling on Your grace  
I've tasted and I've seen and I want more, oh, I want  
more  
'Cause I need more, oh, I need Your love

Something's changing in my atmosphere  
You're here, You're here

You've opened up my eyes to Your glory, Lord  
I've tasted and I've seen and I want more  
I stand here amazed, I'm falling on Your grace  
I've tasted and I've seen and I want more

You've opened up these eyes to Your glory, Lord  
I've tasted and I've seen and I want more  
I stand here amazed, I'm falling on Your grace  
I've tasted and I've seen and I want more

Ooh, oh, ooh  
Oh, I want more  
Ooh, oh, ooh, oh

Oh, I want more
