I know your leavin's too long over due
For far too long i've had nothing new to show to you
Goodbye dry eyes i watched your plane fade off west
of the moon
It felt so strange to walk away alone
No regrets
No tears goodbye
Don't want you back
We'd only cry again
Say goodbye again
The hours that were yours echo like empty rooms
Thoughts we used to share i now keep alone
I woke last night and spoke to you
Not thinkin' you were gone
It felt so strange to lie awake alone
No regrets
No tears goodbye
Don't want you back
We'd only cry again
Say goodbye again
Our freinds have tried to turn my nights to day
Strange faces in your place can't keep the ghosts away
Just beyond the darkest hour, just behind the door
It feels so strange to lead my life alone
No regrets
No tears goodbye
Don't want you back
We'd only cry again
Say goodbye again
