All this time I was by her side
I always this close far away
We would ask the questions
That lead to no reply
With 3 minutes more,
What would I say?
Go
I know
Come home
Don't waste the last 3 years
She whispered on about those
Empty times
Yeah, I would fill them if I could
She would dream right before me
And hold me up so high
I, I need to find a way to go back
Into time
I'm always running out of space,
Yet always looking in your face
There's nothing left that you or I
Could choose
Oh, it goes on and on
Go
(go)
I know
Come home
Don't waste the last 3 years
The last 3 years
The last 3 years
The last 3 years
The last 3 years
The last 3 years
The last 3 years...
And I would walk away
With someone else
Like I don't know you
Cause in such different ways...
We'll save these last 3 years
Go
(go)
I know
Come home

We'll save these last 3 years
(these last 3 years)
Go
(these last 3 years)
I know
(these last 3 years)
Come home
(these last 3 years)
We'll save these last 3 years
