I told you once before  
Baby girl I'm gonna take you  
Gonna walk you through my fame  
Like a star that you are  
Wanna show you fancy things  
That I know you have not seen  
To show you how much you mean to me  
Wanna flaunt you like my queen  
You deserve my world  
Baby girl I'm gonna make your  
Fantasy come true  
Cos I could and that's how I do  
And I'll show you fancy things  
That I know you have not seen  
To show you how much you mean to me  
Wanna flaunt you like my queen  
Come into my life, my love, my world  
I'll be there for you  
When you need me girl  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl  
You deserve my life, my love, my world  
I'll be there for you  
When you need me girl  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl (my girl)  
I just have to let you know  
How much I appreciate you  
All the things you've given me  
And how you've always stayed true  
Even through the ups and downs  
Through rain and stormy weather  
Our love stayed strong baby  
We'll always be together  
And baby I couldn't see myself  
With another man holding my hand  
You're the one I love  
Baby understand  
I wouldn't change anything for the world  
I promise baby I'll always be your girl

Come into my life, my love, my world  
I'll be there for you  
When you need me boy  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl  
You deserve my life, my love, my world  
I'll be there for you  
When you need me boy  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl (my girl)  
I mean to say that you're the only one I'm loving  
No one compares to you  
That's the reason I love you  
I've showed you everything with great appreciation  
You complete my needs  
You're the one prefect for me  
Special to me is what you are  
You're my heaven sent, my lucky star  
No reason for me to search no more  
Wanna know that I have you girl  
Wanna show you fancy things  
That I know you have not seen  
To show you how much you mean to me  
Wanna flaunt you like my queen  
Come into my life, my love, my world  
I'll be there for you  
When you need me boy  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl  
You deserve my life, my love, my world  
I'll be there for you  
When you need me boy  
Can't you see it's plain to see  
All I want is in return  
Just promise me you'll always be my girl (my girl)  
My girl, my girl, my girl  
Just promise me you'll always be my girl
