[Verse 1: Alyssa]

Close the door, turn the key
In this room it's just you and me
There's no outside and there's no end
This isn't even a beginning
Let's take a chance, see what we find
Cause in this space where we don't need to hide.
It's in our hearts, yeah we'll be safe.
You're not alone, don't be afraid.

[Chorus: Alyssa]

Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,
But with you I feel alive again
And I know it can't be us,
But tonight just hold me tight

[Verse 2: Jason]

I've been kissed and thrown away
Left to drown
Oh, I've prayed
That I would find something so beautiful
I just wanna live and be loved so

[Chorus: Both]

Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,
But with you I feel alive again
And I know it can't be us,
But tonight just hold me tight

[Bridge: Alyssa/Jason/Both]

I've been living like a fool
Just like a fool
I wanna live a life that's full
Oh do you remember?
Heeyyyy

[Chorus: Both]
Hold me now, hold me tight,
Hold me all through the night
Let it go, the fear, the doubt,
Lock me in don't let me out
It's so dark, the place I've been,
But with you I feel alive again
And I know it can't be us,
But tonight just hold me tight
Just hold me tight
