CHORUS

I feel higher than the mountains
Higher than the sky
Higher than the sun
Because of you and I
We can make a difference
with hope, love and peace
Think about tomorrow
So we can live free

The sun shines today
Let the birds sing
And the trees grow
Without our help that may not be
Leave Mother Nature
So she can grow in peace

CHORUS

I feel higher than the mountains
Higher than the sky
Higher than the sun
Because of you and I
We can make a difference
with hope, love and peace

Think about tomorrow
So we can live free

Make a ring of friendship
Sing with all of us
Kids, animals, trees and earth
And protect it from harm
So our spirits can breathe free
Yeah, we can make a difference
if we keep hope and try

CHORUS

I feel higher than the mountains
Higher than the sky
Higher than the sun
Because of you and I
We can make a difference

with hope, love and peace
Think about tomorrow
So we can live free
