Try to keep my head above
My wits upon a swivel,
On a stick for a minute
While I'm in it we will see.

My nerves all like a rattle
And my words sounds like a cattle call,
My love for you is a battle,
It goes raging on in me.

Two two two,
Two two two more time.
Two two two,
Two two two more time.

Maybe there's a chance
That if I dance with you tomorrow,
you'll be more than just a friend,
And we'll end up sitting in a tree.

When I made those eyes at you,
Did your heart go up a size or two,
Would there be no more goodbyes be true,
Forever we will be.
Two two two,
Only two two two more time.
Two two two,
Only two two two more time.

Or at least if I tried maybe you'd be mine.

To hold on mind,
To keep out of the cold more time.
To struggle as they told us,
To control the way it feels.

When you make those eyes at me,
My heart goes up a size or three,
And some far-off July they see
Us married by the sea.

Two two two,

Only two two two more time.
Two two two,
Only two two two more time.

Only two two two,
Two two two
Almost two two two more time,

Or maybe you'll be mine.
