Aletta - Lies

No I can't go to sleep
this is killing me inside
the secret I'm trying to keep
is taking over my mind

and it's bugging me all the time
I can't go to sleep with another lie
though I try to make it so right
the wrong just makes me feel so tired
I'm so tired

No I can't see your face
knowing what I did
I figured out so many ways
to hide the state I'm in

and it's bugging me all the time
I can't kiss your lips knowing that I lied
though I try to make it so right
the wrong just makes me feel so tired

Ooh, the pain I feel is killing me inside

the pain I feel is killing me inside
the pain I feel is killing me inside
the pain I feel is killing me inside

No I can't say the words
and try to make you understand
I can't see you being hurt
oh no, this has to end

cause it's bugging me all the time
I cover a lie with another lie
though I try to make it so right
the wrong just makes me feel so tired

Ooh, the pain I feel is killing me inside
the pain I feel is killing me inside
the pain I feel is killing me inside

the pain I feel is killing me inside
