We used to paint
A perfect picture and
Who's to think
It'd be anything different
Now you see
That things aren't in black and white
This is one
Less battle I have to fight

Behind Closed Doors
I'm only an idea
Behind Closed Doors
Nothing is real
Behind Closed Coors
No one would believe
Behind Closed Doors
Is why I have to leave

You always said
That fame was knocking at your door and
Who's to think
It'd wouldn't be worth falling for
Now I see
Since time has passed us by
The truth you made
You built out of a lie

Behind Closed Doors
I'm only an idea
Behind Closed Doors
Nothing is real
Behind Closed Coors
No one would believe
Behind Closed Doors
Is why I have to leave

Behind Closed Doors
I'm only an idea
Behind Closed Doors
Nothing is real
Behind Closed Coors
No one would believe

Behind Closed Doors
Is why I have to leave

Behind Closed Doors
I'm only an idea
Behind Closed Doors
Nothing is real
Behind Closed Coors
No one would believe
Behind Closed Doors
Is why I have to leave
