I don't need your words tonight
I just need someone to tell me
Things will be just fine, Even if you're lying
Well baby if that's too hard for you
Maybe our time here is through
Cause I just need someone to carry me along and

Hold me Strong
Take me in your arms
Hold Me Strong
Even if I'm wrong

People out there will beat you down
Drag you all through this tired town
Put you in box with the lost and found
So, if you're not there to pick me up
Then maybe our time here is done
Cause I just need someone
Yeah I just need someone

Hold me strong
Take me in your arms
Hold me strong
Even if I'm wrong
Just hold me strong

Touch me with your hands
Keep me in your heart
Let us find a new way to start
Love me now or let me go
Before it spins out of control
And I loose, loose you

Hold me strong
Take me in your arms
Hold me strong
Even if I'm wrong

Hold me strong
Take me in your arms
Hold me strong

Even if Iâ€™m wrong

Hold me strong
Take me in your arms
Time slows down
When Iâ€™m in Your Arms
