I came around
Not knowing any better
But I know
How to feel something real
And now you break it down
With tears in your eyes
Took me by surprise
Your love on the fly

Your love
On the fly
Took me by surprise
You know I fell
For your love on the fly

Iâ€™m sitting here
Surrounded by your things
It doesnâ€™t help at all to make this disappear
So Iâ€™m packing up all my bags
Donâ€™t know if Iâ€™ll be coming back
Cause you took me by surprise
With your love on the fly

Your love
On the fly
Took me by surprise
You know I fell
For your love on the fly

You wonâ€™t have to go back to what you knew
If youâ€™d take a chance on something new

So Iâ€™m packing up all my bags
Don't know if I'll be coming back

Your love
On the fly
Took me by surprise
You know I fell
For your love on the fly
