

Burnside Drive "Confined"

Visit "[Confined](#)" on MotoLyrics.com

I am confined within these walls
these walls which drive me insane
lost in the thoughts of what could have been

i'm drowning in this sea of regret
this anchor on me is you
plagued with the nightmares of what went wrong

lead me closer, i am not afraid
to face the truth, before my eyes
and i am not leaving, this world until
i see why you, took this away
from me

can anyone hear my screams
or will i just die alone?
can anyone save me from this fate
i've brought upon my self

and will i make it out alive
Tell me, will i survive
tossed in all directions
can you hear my screams
lost here without this

i can't see why you've taken me away
i can't see whats happening to me

i must know what went through your head when
you tried to take my life away from me

lead me closer, i am not afraid
to face the truth, before my eyes
and i am not leaving, this world until
i see why you, took this away
from me

can anyone hear my screams
or will i just die alone?
can anyone save me from this fate
i've brought upon my self

and will i make it out alive
Tell me, will i survive
tossed in all directions
can you hear my screams
lost here without this
can you hear my screams
lost here without this
can you hear my screams
lost here without this
can you hear my screams
lost here without this
