Have you ever felt some days  
You might just fade away  
You had it in your hands  
And watched it slip through once again  
Like a broken glass stone  
You're not good for anything  
You're not gonna cut me down  
I'm going to play your stupid games  
'Cause im the guy  
Who's always wasted everything  
You can try and stop me steppin' in the rain

'Cause I'm so hard headed, idiotic,  
Self-centered, its ironic  
Nothing ever mattered to me  
'Til the time you thought you knew me  
I know you really want it  
Thats just the fun of it  
You'll keep on coming back  
It's not a promise it's a fact

As time goes by  
You made the choices we all know are right  
You're so cool  
You smoked some pot  
And then dropped out of school  
But what do I care and what do I know  
Stabbed in the back as soon as I watched you go (as  
soon as I watched you go)  
'Cause im the guy  
Who's always wasted everyday  
You can try and stop me steppin' in the rain

[Chorus x2]

I'm another lost cause and I owe it to myself  
You can take your good will shit  
And go lie to someone else  
'Cause im the guy  
Who's always wasted everyday  
You can try and stop me steppin' in the rain

[Chorus x2]

Na na na na na na  
Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na  
Hard headed

[Chorus x1]
