I drink tequila every night for about a year  
I drink it with my best friend and I chase it down with  
beer  
But yesterday I had to quit  
It changed my life (I'll tell you what)  
The other day I woke up naked with my brothers wife

Arhh I love me hoedowns a good time to be had  
I declare this be the best hoedown across the land  
A leader a bacardi is like a chest of treasure  
And when the rum is gone  
The bottle in her butt for pleasure

Hello my name is Jimmy  
And I've got to take a crump  
It feels like an explosion down in me rump  
So take some beer and whiskey  
It don' mean no harm  
Cause Im a little leprechuan and eat my lucky charms

I know I look pathetic  
And no I dont feel fine  
Im very fuckin angry  
I could commit a crime  
When I went to sleep last night I was same old Chris  
But somehow over night I grew a perfect set of tits

I wanted a burrito but a tachos all they had  
I figured they could make me one but the guy got really  
mad  
He slapped me across my face and " Now listen to me  
Bro,  
Im telling you just one more time no burritos just  
tachos"

Hello my name is peter and this here is my song  
I've been eating tea and crumpits four fucking years to  
long  
I have an idea if you ever get sick  
I wont give you a shot but I'll give you my english prick

Today I was arrested

Oh well to bad for you  
I dont see whats wrong with shitting on the beach  
I guess I'll sit in jail until they let me go or until they find  
out Im supposed to be in Mexico  
IN MEXICO
