I erased your name
Pictuers all thrown away
Its easier this way

Things were good
I never should have been so scared
To be so happy
Never thought i could i would have never
thought i'd feel this way

Are you my friend
To me ive lost my friend
I could have said some things that isnt fair
Your the text inside my book
That isnt there anymore
Are you my friend

I listened to
That Cd read those letters one last time
Remember when we'd drive to san diego
We would laugh id hold ur hand
And you would stay those nights
Did u ever think i would say

Are you my friend
To me ive lost my friend
I could have said some things that ill regret
All the lyrics on the blank cd
Youll get from me
Are you my friend

I called you yesterday
I called you like a month ago to say im sorry
The times i talked to you before the time
It never was you

Are you my friend
To me ive lost my friend
I could have said some things that wasnt fair
Your the text inside my book
That isnt there anymore
Are you my friend

To me ive lost my friend
I could have said something that ill regret
All the lyrics on the blank cd
Youll get from me
To you my friend
