id seen her at the local diner  
cared so much she couldnt look much finer  
then i saw her boyfriend so i walked away  
whoa ohh whoa ohhhh

and i called her up on the phone  
she said come over DJ cuz im all alone  
i need somebody to talk to someone like you  
whoa oh whoa ohh

pulled up on the driveway what did i see  
i saw her fat fucking boyfriend he was staring at me  
wondering to myself what should i do  
whoa ohh whoa ohh

i cant direct you in a tight red dress  
she was looking over me like a big fucking mess  
then she got in the car and they drove away  
whoa oh whoa oh  
na na na na na  
na na na na na

im so mad i gotta know  
if you have a boyfriend tell me so  
cuz lately ive asked you then u lied to me then  
i found myself miserable for you again

how many times do i have to try to find a girl  
who doesnt have a guy  
all i need is a girl that will give me the time of day  
whoa oh whoa oh

but if i ever find a girl of my dreams  
i will buy u a car with a new pair of jeans  
and i would take her anywhere she wanted to go  
whoa oh whoa oh  
na na na na na  
na na na na na

im so mad i gotta know  
if you have a boyfriend tell me so

cuz lately ive asked you then u lied to me then  
i found myself miserable for you again..

in all my heart  
in all my mind  
i followed you  
but its a waste of time  
want you there for me  
oh cant u see i love you oh so much  
why wont u be my friend
