I like my music fast, my sweaty crowd, my guitar way  
too loud  
I don't really give a shit what's hot, what's in or what is  
not  
Maybe one day I'll be smarter and I'll learn from my  
mistakes  
But right now I've got my friends, I've got my booze  
that's all it takes

Look at me I'm dumb if you don't like it then just fuck  
you  
We do what we like if you don't like it then just fuck you  
All apologies for being me  
I guess I do my best  
I guess nobody could care less

It's more than just music it's my lifestyle, my story  
I grew up with Jason, Joey and Fatty  
A label I am fucking proud to have stamped upon me  
I'm a punk rocker

Leave me my tattoos and memories  
They're the only reminders of my stories  
Got no time to look back  
I'm back on track  
It's when our train is going way too fast  
That we're free at last

Look at me I'm dumb if you don't like it the just fuck you  
We do what we like if you don't like it then just fuck you  
All apologies for being me  
I guess I do my best  
I guess nobody could care less  
I guess I do my best  
I guess nobody could care less  
We do what we do best  
We'd sleep on floors for even less
