Talk Shop

Talk shop

Short stop

I love you for the things you got that Iâ'm not

Havenâ't got, I just havenâ't got

I hate it, start complaining

What you call it, keep from showing off

Dark days, afternoons

I love you for the ways that I can find to lose

So it goes, yeah, I pick and choose

Iâ'll kiss you and Iâ'll miss you

Then Iâ'll try to feel something new

Woahhh oh oh oh ohhhh

I thought I worked this out

Ohhh ohh ohh ohhh ohh

I thought we talked it out

Ohh oh oh ohh

I thought we talked it out

Oh oh ohh oh

Woahh oh oh ohhh ohh

Yeah I thought I worked this out

Woah oh oh ohh ohhhh

I thought we talked it out

Oh ohhh oh oh

I thought we talked it out

Oh ohhh oh oh

Sorry

Round and round and round with myself

I think I need some kind of help

Just want to empty out

Amore

These things are just too bad for your health

Yeah I need (some) help, need (some) help

Eight months, dried off

Iâ'm running out of things to try and deconstruct

Talk shop, till there's nothing left
The little that I told you was as much as I could tell
myself
And analyze, your every move
It's all the same so just push, push, push on through,
emptied out
Every time you call, I'll miss it, you dismiss it
That is not what I meant at all

I thought I worked it out
Ohh oh oh ohhh ohhh
Yeah I thought I worked this out
Woahh oh ohh ohh ohh
I thought we talked it out
Ohh ohh ohh ohhhh
I thought we talked it out
Ohh ohhhh oh oh
Yeah I thought I worked it out
Woahh oh oh oh ohhh
I thought I worked this out
Oh oh ohhh oh ohhh
I thought we talked it out
Oh ohhhh oh oh
I thought we talked it out
Oh ohhhh oh oh

Sorry
Round and round and round with myself
I think I need some kind of help
Just want to empty out
Amore
These things are just too bad for your health
Yeah I need (some) help, I need (some) help
Talk shop, yeah it's a short stop
I love you for the things you got that I'm not
