I've been waiting patiently for
The crowd to gather in
to meet all my demands
on the news this evening
I have no asked for much
But I want what I can't afford
Just to find myself a mess
At the sexual door, at the sexual door, at the sexual
door

The situation is out of my hands
I have the crossbones
In the cross hairs
(come in and get me)
The situation is out of my hands
I got a new prayer
For a new plan
(come in and get me)

And I'm making all this up
As their eyes follow along
No lines between the dots
Is the right time going wrong
We wanted something more
Then we could ever be again
And I don't ever learn
But I know I'll forget, I know I'll forget, I know I'll forget
The situation is out of my hands
I have the crossbones
In the cross hairs
(come in and get me)
The situation is out of my hands
I got a new prayer
For a new plan
(come in and get me)

{Guitar Solo}

Didn't the dogs get the scent
Till your kids got the sense I've come undone
Didn't the dogs get the scent
Till your kids got the sense I've come undone

{back ground music}

{screaming}>>>

When I'm alone in the world
Worse now and feeling pain
For the love of God
Put the saints in my heart
When all the eyes are upon me
I know I'll freeze in the spot
For the love of god
Put the saints in my heart
