As I grew up I had no father to protect me not that I was scared but confused because he left me, if I could take back time to the day he walked away I would keep em really close and this is what I would say [x2]

Apa I love you daddy never leave jefe I need you to stay next to me without you my life won't be complete I need you to give me strength standing on my feet can't you see that I'm a lil girl and I need a man to show me how to face the world daddy the worlds been a risk yes the worlds been a trip but I got the life I'm makin a tight grip daddy no por ke te vas mom no please pon te enpas tell em that you love em tell em that you do mom please I'm begging you, dad hug me don't walk away hold me forever and tell me that you'll stay please just tell me that you'll stay tellme that you'll stay and everything will be okay

As I grew up I had no father to protect me not that I was scared but confused because he left me, if I could take back time to the day he walked away I would keep em really close and this is what I would say [x2]

Dad so what's up I haven't heard from you at all, you don't even write or ever give me a call is everything okay are you doing good doing fine can I ask u a question why don't you ever send at least a dime my mom really struggles and she does a lot and she tries her hardest just to ge me what I want and it gets me pretty mad cause you don't even try it makes me want revenge don't think it makes me cry I was only 8 years old when you left now I'm 15, bout 8 years since my daddy left me it's been a while, yeah it's been a long time but the thing I wonder most is, am I ever on your mind give my jefa props dad cause thanks to her I'm one of a kind that's straight rhyme

As I grew up I had no father to protect me not that I was scared but confused because he left me, if I could take back time to the day he walked away I would keep em really close and this is what I would say [x2]

My life hasn't been easy it's been really hard dad I'm surprised I've even made it this far, give thanks to my mom for helping me survive, even though without you by my side, she's done good right, right I miss you, yeah I can't deny it but the other half of me hates you and I don't need you in my life
